

“ ALL THE ALUMNI ARE INVITED FOR SAMINAR DATED ON 17 DEC.2013”

Women Empowerment is the ability to exercise full control over one's actions. In the past , Women were treated as mere house makers, the division of labour was and still in few parts of country one of the major reason because of which certain ---- birth in our Society, Child marriage, Foeticide, illiteracy etc.

Meanwhile , a Women needs to be physically healthy in order to work equally. Majority of women especially in rural areas. The result in increasing risk of unwanted and early pregnancies. HIV and other Sexually Transmitted diseases.

In recent years many steps have been taken. So, as to increase the participation of women in Political System .
